

# Emily Kaufman Frank, M.D.

## Work Experience

### **Sermo**

Physician Moderator

2010-2011

Moderated online physician opinion panels within the Sermo community, assessing pharmaceutical and medical device companies' objectives, subsequently translating them into relatable language for practicing physicians.

### **Pike Medical Consultants**

Internal Medicine Physician

2009-present

Managed all aspects of inpatient and outpatient care, including peri-operative management of orthopedic patients and supervision of Nurse-Practitioner and Physician Assistant practices.

### **Witham Memorial Hospital**

Hospitalist

2008-2009

Performed all aspects of inpatient care: including admissions, peri-operative management, discharge coordination and all communication with outpatient physicians and specialists.

### **Zotec**

Chief Medical Officer

2007-2008

Represented the physician mind at a large medical billing company, communicating regularly with clients and insurers. Reviewed processes for improved collection and denial reduction.

### **St. Vincent Physician Network**

Internal Medicine Physician

2006-2007

Senior physician in a community-based internal medicine practice

**Work Experience**  
(cont.)

**The Carmel Clinic**

Founding Partner and Internal Medicine Physician  
2003-2006

Created innovative, fee-for-service medical practice with central focus on preventive care and wellness. Developed several wellness programs including The Smart Way, a multi-disciplinary weight-loss program incorporating collaboration between a physician, registered dietician, personal trainer and psychologist, and Quit for Life, a physician directed smoking cessation program. Gained substantial experience with all aspects of practice management including billing/coding, compliance, purchasing, personnel issues, marketing, negotiating with contractors and integrating an electronic medical record.
